07.29.2025 Patch Notes

- Added notation for game bracket and turn order.
- CHAINER will now be taking over for MORINFEN, but with less suicide.
- + KILO online. Never had a jeskai commander. Robot time.
- + HEARTHULL online. Never had a jund commander... that wasn't a meme.
- Retired WICK with a record of 0-8 & 2K0. Not fun, also bad.
